Docket No. TU999036
Firm No. 0018.0059

REMARKS

Applicants amended claims 1, 10, and 19 to clarify the antecedent basis for the "third and fourth storage devices" in one limitation because antecedent basis for these elements is in the preamble.

Applicants amended the claims to clarify that the "other storage device" is the "other of the first or second storage device" and that storage device instance is one of the "first or second storage device"

Applicants request the Examiner to enter these amendments as they do not alter the scope of the claims.

In the statement of reasons for allowance the Examiner provided various reasons for allowance. Applicants note that the claims are directed to various combinations of features. It is respectfully submitted that the patentability of each of the allowed and allowable claims resides in every feature of the recited combination of features of the claims in addition to the features noted by the Examiner.

Applicants submit that no new claims or new matter has been added to the application. Nonetheless, should any additional fees be required, please charge Deposit Account No. 09-0466.

The attorney of record invites the Examiner to contact him at (310) 553-7977 if the Examiner believes such contact would advance the prosecution of the case.
